PREMIUM BASE

In this issue, you will complete the assembly of the base by installing the support that holds the figure.

PIECES INCLUDED

10-1

10-2

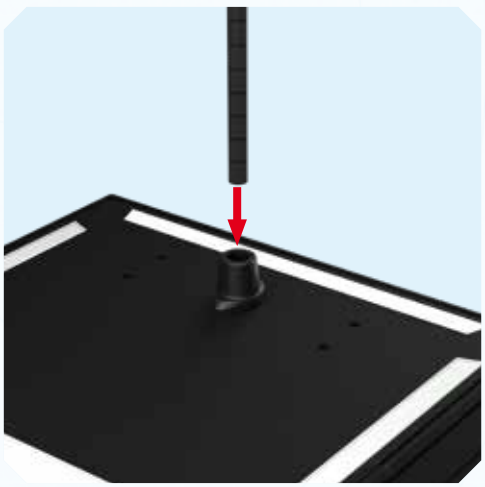

10-1 Base caps x6
10-2 Emblem

NOTE: The appearance of the pieces shown here may differ slightly from the pieces included in this issue.

STEP 1

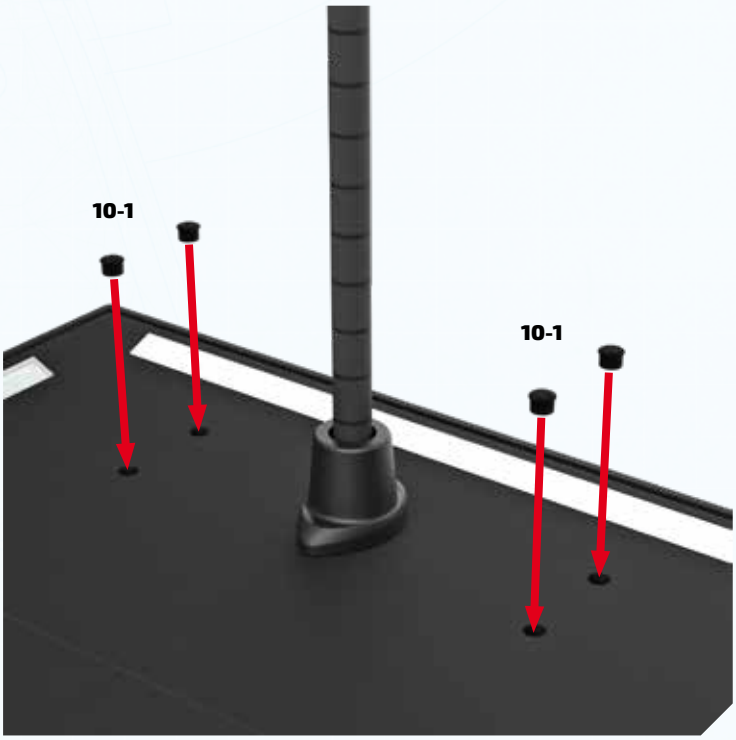

Retrieve the support mast that you received and assembled in issue 119 of the main collection. Fit its end into the support base that you installed in issue 7. Check the detail image on the right to ensure the piece is fitted correctly.

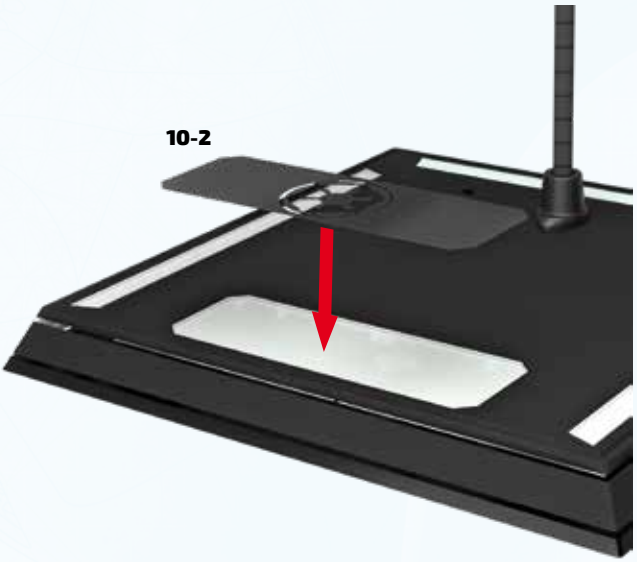

STEP 2

Use the base caps **10-1** to fill the other holes in the base.

STEP 3

Complete the base by fitting the emblem **10-2** into the area shown by the arrows.

FINAL RESULT

The base is ready! Connect the charging cable to activate the lighting.
